OUR VISION

To be a model of godly transformation in church and society

OUR MISSION

To reach every student in university and college for Christ and equip them for effective service in and after campus

OUR MODEL

1. We equip the CU leadership for effective service to the rest of the members
2. We walk closely with individual Christian students, mentoring them for life
3. We facilitate CUs to reach other students for Christ

OUR CORE VALUES

We endeavour to be **faithful** to the Holy Scriptures
We exemplify moral, financial and intellectual **integrity**
We uphold **apprenticeship** as a training model
We strive for **excellence** in all areas of life
We are **student-centred** in our operations

OBJECTIVES IN STUDENT MINISTRY

Evangelism
Discipleship
Mission
Leadership Development

OBJECTIVES IN ASSOCIATES MINISTRY

Recruitment and networking
Involvement in Student Ministry
Involvement in Church and society
Capacity Building of associates for service

FOCUS Associates

- Christian graduates who were members of Christian Unions in Kenya
- Other Christians who have a burden for helping students grow in all areas of life

WHAT ASSOCIATES DO

Provide soft-landing and handy network for fresh graduates as they get to the job market

Serve Christian Unions as speakers and resource persons

Engage contemporary issues as responsible members of their churches and society

Benefit from the capacity building system of FOCUS, helping them to be more effective in their churches and society at large

Support FOCUS through financial donations or free/subsidized professional services as partners with God

BENEFITS OF JOINING FOCUS ASSOCIATES

Open fellowship. Associates share similar experiences with you and so would easily understand you

Passion for God. Associates are people whose zeal for God did not end at their graduation. They would therefore stoke your fire for the Gospel

Sound theology. Through the rigours of Bible study right from student days to the market place, associates' theology is Scripture-based

Networking. With many associates in all sectors of our economy, you are sure to get help in your professional/career growth

Mentoring students. As the resource base for CUs in regard to speakers and mentors, you can also speak to and mentor students

Service to Church and society. Associates engage contemporary issues and provide critical input at branch, professional and national levels
