FACTS ABOUT STEM

A Journey of developing leaders and transforming lives

1992

STEM is Launched

As a fruit of COMMISSION 1991. The goal was and has been to give fresh graduates an opportunity to serve God in institutions of higher learning, the Church and society on a short-term basis (one year)

BY 2022 The Impact of STEM in last 20 Years

Mentorship

Raised mentors, trainers, disciple-makers and coaches among students in colleges and campuses .

Social Transformation

prepared graduates with value-based - leadership for Social Transformation.

Authentic Leaders

trained and raised authentic, mature Christian leaders who have positively influenced the Church and the society.

700

STEM Alumni

STEM END PRODUCT

An all-rounded, mature graduate with sense of vocation to societal transformation

A hardworking and diligent person committed to excellence

A financial steward who is cost conscious

A Team player and Servant leader

Resourceful & multiskilled worker

Doctrinal upright Bible Teacher

STEM FINANCES

The one-year program is funded through partnerships with like-minded organizations and individuals who believe in the vision of STEM. Each STEM Staff raises their support which at the moment stands at Kshs. 264,000 every year (Kshs. 22,000 per month).
